LESSON DEPARTMENT POLICY

Monthly Tuition

Tuition is paid monthly at the time of the first lesson. We accept cash, a check made out to Area Twenty-Two, and payment via Venmo (@Mallory_Area22). If you know there is a date in which you/your child will be absent (vacation or a school event, etc.) please let us know at the beginning of the month so that you won't be billed for it. **Missed lessons** are considered **forfeits** and do not roll over to the next month. (See cancellation policy)

Cancellations and Make-ups

We have a no-cancellation policy. If you have to cancel a lesson, even if you are sick, it is considered a forfeit. We do not credit missed lessons to the next month or give refunds.

***If you have to miss a lesson, we are always willing to schedule a make-up if there are available slots!** Make-ups are allowed to be rescheduled within 1 week.

Discontinuation

Tuition is paid by the month, so if you know you are unable to continue lessons, let your instructor know before the month is over. If you haven't yet paid and the month has already started and you decide to discontinue, the full monthly amount is still due, as it should have been paid for by the first lesson.

Thank you for your cooperation and patronage!
